evilevilcouch@gmail.com: when you're busy doing stuff, can you say "hey, i'm busy [on X] i'll get back at you when i'm done" or something, just to let me know what is up
me: I was outside, sweetheart
evilevilcouch@gmail.com: i know, and it's fine and i don't care really, but i'd just like you to communicate about that more sometimes?
evilevilcouch@gmail.com: cause sometimes you mentally check out, like anyone can and does, but i just don't really get a heads up of it happening so then i get confused and restless
me: I mean, I'm over here working on stuff like usual
me: I don't know what you're asking me to communicate with you and when
evilevilcouch@gmail.com: oh
evilevilcouch@gmail.com: hrm
evilevilcouch@gmail.com: i guess we'll figure that out
evilevilcouch@gmail.com: but i guess in a manner it'd prob help if you structured your life a bit more so that it could make it a bit easier for me
evilevilcouch@gmail.com: cause i guess i've been structuring my life lately around your habits and such and that isn't particularly healthy in general
evilevilcouch@gmail.com: i need to just keep doing my thing
me: well, stop doing that, then
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: i know

me: my life is structured around my work
evilevilcouch@gmail.com: but i dunno how to balance it all out cause you don't have a car and i have to drive most of the time
me: during the day, when I'm here at home, I work on stuff
me: sometimes I work on stuff in the evening
me: I've got a huge amount of work
me: and I tend to concentrate on it for long portions of the day, just like someone who goes into work
evilevilcouch@gmail.com: i know
me: so, you can assume that when I'm at home, I'm working on stuf
me: but am happy to chat with you
evilevilcouch@gmail.com: hrm
me: but might sometimes be outside or not looking at my gchat
evilevilcouch@gmail.com: lol
evilevilcouch@gmail.com: i know this, sillybear
me: so, there you go
evilevilcouch@gmail.com: hrm
me: as for the car thing, I suggest you just drive over here when you want to see me
evilevilcouch@gmail.com: :(
me: because as we discussed last night, there's nothing I can do about that right now
me: I'll be able to take cabs soon once I get more money in
evilevilcouch@gmail.com: oh bah that's silly
me: right now I'm broke
evilevilcouch@gmail.com: why not just get a bike adn ride it when it's warmer?
evilevilcouch@gmail.com: you don't live too far away
me: I will
evilevilcouch@gmail.com: yay
evilevilcouch@gmail.com: :)
evilevilcouch@gmail.com: :(i like seeing you everyday but it's fucked up my productivity
